MISSION AND VISION

- MISSION -

Our mission is to build stronger relationships with business partners, to monitor the demands of our customers and the market and to adequately respond to them. In accordance with the adopted Quality Policy for the standards ISO 9001, ISO 14001 and ISO 45001 and the principles of the company's operations, we continually improve our own knowledge and qualities of our employees and improve our own technical capacities in order to raise the level of quality of products and services.

- VISION -

We want to become synonymous with a company that constantly sets up higher standards ie. leader in the field of metal processing and the production of metal parts and products.
